EarthColab Expedition Payment and Cancellation Policy

At EarthColab, we take great pride in curating unique expeditions to remote and logistically complex areas. Due to the nature of these trips, our payment and cancellation policy reflects the critical need for upfront planning and resource allocation.

1. Deposit/Booking Fee: Upon booking, participants are required to pay a non-refundable deposit of 20–40% of the total expedition cost.

This deposit secures your spot and enables us to initiate the planning process. It is non-refundable due to the advance logistics and payments involved in organising the expedition.

2. Cancellation Policy:

- More than 90 days before departure: participants forfeit only the deposit; no further payments are required.
- 90–60 days before departure: 50% of the total trip cost is chargeable.
- Less than 30 days before departure: 100% of the total trip cost is payable, as we cannot fill your spot or recover costs already incurred (e.g., permits, logistics).

3. Replacement Policy: If you find a replacement for your spot, EarthColab will refund the total amount paid minus the original deposit, provided permits etc can be reissued.

This option is available only up to 15 days before departure.

We appreciate your understanding and cooperation as these policies ensure the seamless execution of our unique expeditions

Thank You.
